

## ENROLLMENT HISTORY REVIEW

The U.S. Department of Education requires colleges to review the past enrollment histories for certain students receiving federal financial aid funds. Students who have attended multiple schools in a short period of time or who meet other criteria may be selected for review. Saint Martin's University (SMU) is required to review your enrollment history to determine your eligibility for federal aid.

### PART C. Certification

Your request for financial aid will not be considered until you have submitted this completed form and all of your official transcripts have been received by the Saint Martin's Registrar's Office. After all your documentation has been received, the Office of Financial Aid will determine if you will be eligible to receive federal funding for the academic year. The decision of the Office of Financial Aid is final and cannot be appealed.
