

HOUSING SITUATION FORM

DIRECTIONS — The Office of Financial Aid uses the Cost of Attendance (COA) to determine a student's total eligibility for financial aid in the academic year and to calculate a student's financial need. Financial Aid Applications no longer collect a student's housing choice. To ensure that we create an accurate financial aid offer, please provide where you will be living. ***This will have an effect on the amount of financial aid you are eligible to receive.***

This is NOT the same form as the housing application form if you are wanting to live in the on-campus residence halls and is required for the Office of Financial Aid.

1. Access the secure form using this link: <https://forms.office.com/r/xkipmvqBay>
2. Fill out the form using your student ID #
3. Input your housing situation.
4. Select the academic year you are reporting your housing for:
 - For example: 2026-2027 (Summer 2026 – Spring 2027)
5. Click Submit.

If at any point during the academic year your housing situation changes, you must notify the Office of Financial Aid.
