

HOUSING SELECTION

Academic Year 2025-2026

DIRECTIONS— The Office of Financial Aid uses the cost of attendance to determine a student's individual total eligibility for financial aid in the academic year and to calculate a student's financial need. Financial Aid Applications no longer collect a student's housing choice. To ensure that we create an accurate financial aid offer, please provide where you will be living. *This will have an effect on the amount of financial aid you are eligible to receive.*
