

Saint Martin's
UNIVERSITY

Northwest Monitoring Nursing Scholarship

PURPOSE

Northwest Monitoring, a local intraoperative neuromonitoring service provider, created the Northwest Monitoring Nursing Scholarship to provide annual scholarship support to nursing students attending Saint Martin's University.

AWARD CRITERIA

This scholarship is to be awarded to any Saint Martin's University Nursing student who:

- Submits a 500 word or less statement on why they chose nursing as a profession and why they deserve this scholarship.
- Is enrolled fulltime in either the RN-to-BSN program or BSN program
- Is from the local area, to include Thurston, Pierce, Mason, or Lewis counties.
- Demonstrates a strong work ethic, leadership, compassion, and empathy

APPLICATION PROCESS

Applicants will submit the essay to the Director of Nursing at nursing@stmartin.edu by the established deadline.
