## Nursing Fund Scholarship Application

### **PURPOSE:**

Nursing scholarship funds are set aside each year to assist students with nursing school finances. To be eligible for an award, a student must be in good academic standing in the RN-BSN or BSN program.

### **APPLICATION PROCESS:**

The application (see next page) must be completed and submitted to the Director of Nursing [nursing@stmartin.edu](mailto:nursing@stmartin.edu) by the established deadline. Late applications will not be reviewed.

### **INSTRUCTIONS FOR COMPLETING APPLICATION:**

Complete Part A of the application. The financial need section will be completed by the Financial Aid Office. Your GPA will be calculated by the CAS Program Assistant.

### **SECTION A: SERVICE AND LEADERSHIP:**

List your service and leadership activities during the last 3 years. Write a brief description of the service project or leadership role and the length of time you participated. You may include church, St. Martin's and community-related activities. If service was part of a class requirement, list the class along with the activity. Keep the description brief and limited to the space available.

### **SECTION B: ADDITIONAL NEED**

List additional college-related expenses that are not covered by Financial Aid. Do not include tuition, fees, textbooks, or other expenses that are normally covered by Financial Aid. Do not list rent or house payment.
