### PROGRAM COMPLETION REQUIREMENTS:

This plan of study needs to be accompanied by a completed endorsement form to qualify the candidate for program completion and certification.

Candidate must receive a minimum cumulative GPA of 3.0 in program academic coursework.

Candidates must receive a B or higher in each individual program academic course.

Courses in teacher education completed more than seven years before admission or readmission may NOT meet professional requirements.

Candidate has successfully passed or has a plan in place to pass state required endorsement exams. Successful passing of endorsement exams is required for program completion and certification, not for degree conferral.
