## ENROLLMENT HISTORY REVIEW

Academic Year 2023-2024

**Directions:** The U.S. Department of Education requires colleges to review the past enrollment histories for certain students receiving federal financial aid funds. Students who have attended multiple schools in a short period of time or who meet other criteria may be selected for review. Saint Martin's University (SMU) is required to review your enrollment history to determine your eligibility for federal aid.

### PART A. Student Information

Current mailing address (street, apartment or PO Box number, city, state, ZIP code, country)

|                            |                   |                                 | Yes                  | No |
|                            |                   |                                 | Yes                  | No |

### PART C. Certification

Your request for financial aid will not be considered until you have submitted this completed form and all of your official transcripts have been received by the SMU Registrar's Office. After all your documentation has been received, a SFSC Aid committee will determine if you will be eligible to receive federal funding for the 2023-2024 academic year. The decision of the Financial Aid committee is final and cannot be appealed.
