UNIVERSITY

Saints succeed

“Students in the Saint Martin’s MBA program succeed because the professors, advisors, staff, and community are supporting them every step of the way. The quality education you’ll receive is a direct reflection of the pride that the community takes in supporting you.”

—Kim Nelson, graduate student, MBA

MASTER OF BUSINESS ADMINISTRATION (MBA)

Program highlights

The Master of Business Administration (MBA) program at Saint Martin’s is designed for working professionals and military, offering evening courses year-round. The program brings a Benedictine values-based approach to challenge and support the next generation of business leaders.

- Open to students with an undergraduate degree from any discipline.
- MBA degree completion possible in less than one year.
- Faculty have real-world experience in the subjects they teach.
- Saint Martin’s also has business-focused study abroad opportunities in Europe and Asia.
- Concentrations in Global Leadership, Health Care Management, and Accounting & Finance.
- Two certification programs: Health Care Management and Internal Audit & Risk Management.

PROGRAM FLEXIBILITY

Students can complete their MBA degree in nine (9) months if they are taking three classes per term. However, most students complete the degree in 18 to 24 months.

4+

Current Saint Martin’s undergraduate business students can complete the MBA degree in one additional year.

Career opportunities

The MBA program helps build skills in various areas of business to open pathways to corporate, state, non-profit, small business, and entrepreneurial leadership positions.

The new Health Care Management certificate holders may transfer elective credits to the Master of Business Administration degree.

Admission requirements

In order to be considered for full and unconditional admission* into the program, applicants must meet the following requirements:

- Bachelor’s degree from an accredited college or university with specific coursework in accounting, management & marketing, economics, finance and quantitative methods.
- Overall 2.75 undergraduate GPA.
- Demonstration of strong analytic, problem solving and writing skills as evidenced by previous coursework, resume and admissions essay.

**Students not meeting these requirements will be considered for conditional admission. Saint Martin’s University recognizes that while previous performance is a valuable indicator of potential success, there are those who have demonstrated that potential in other ways than traditional academic performance.*
