*Saint Martin’s is now a test optional university.* Although we are test-optional, we are still happy to accept and consider SAT or ACT scores as part of your application review. Talk with your admissions counselor about how your test scores can affect your merit award.

*Be sure to include any high school activities, awards, clubs, and rigor of your high school curriculum (Honors, AP/IB, college in the high school, etc) on your Saint Martin’s application as merit awards are based on a holistic review of your application.*
