Master of Arts in Counseling Saint Martin's University

4. Briefly describe how you will engage and interact with clients and colleagues to uphold the MAC Position Statement.

MAC Position Statement: *In resonance with the values of the American Counseling Association, the National Board for Certified Counselors, accrediting organizations for counseling programs, and our Catholic Benedictine framework, we recognize the dominance of white/euro-centric norms and teach cultural humility by rejecting anti-immigrant rhetoric and action. We affirm the self-determination of indigenous and native communities by hearing their stories and supporting decolonization. We work to deconstruct the walls of sexism and transphobia by integrating feminist and trans-valuing theories into our practice. We actively counter ageism, ableism, classism, racism, and heterosexism in our communities by admitting their pervasiveness and implementing corrective actions. In the spirit of Benedictine sincere hospitality, we extend welcome to members of all faiths and to those who do not identify as having a religious membership.*

5. Please review this information <https://www.stmartin.edu/spiritual-community/our-catholic-benedictine-tradition> and <https://www.stmartin.edu/spiritual-community/our-catholic-benedictine-tradition/benedictine-values>, then briefly describe how you will engage and interact with clients and members of the community and uphold the Benedictine traditions at SMU.
