

Master of Arts in Counseling Saint Martin's University

Practicum Video Demonstration Feedback Questions to Consider

1. Identify a strength demonstrated by the counselor. Provide evidence of the effectiveness and/or impact of that strength (client reaction, etc.) Emphasize micro-skills.
2. What efforts did the counselor make to foster a positive therapeutic alliance with the client?
3. How did the counselor approach relevant material? Does this suggest a goal that the client has for their therapy? Consider the types of interventions the counselor used (e.g. open and closed questions, encouragers).
4. Name something the counselor did that you find particularly inspiring in your own development as a counselor.
5. Point out successful pacing of the session; strengths in managing pacing of client or counselor.
6. Point out successful interventions you noticed the counselor use.
7. Point out positive nonverbal communications the counselor used.
