## ESSAY TOPICS (ESSAY NOT REQUIRED FOR ESL APPLICATION)

Your personal essay helps us become acquainted with you as an individual and student. It will also demonstrate your ability to organize your thoughts and express yourself. Please prepare a 250-500 word essay on one of the following prompts:

- Evaluate a significant experience, achievement, risk you have taken, or ethical dilemma you have faced and its impact on you.
- Discuss some issue of personal, local, national, or international concern and its importance to you.
- Indicate a person who has had a significant influence on you and describe that influence.
- Describe a character in fiction, a historical figure, or a creative work (as in art, music, science, etc.) that has had an influence on you, and explain that influence.
- A range of academic interests, personal perspectives, and life experience adds much to the educational mix. Given your personal background, describe an experience that illustrates what you would bring to the diversity in a university community or an encounter that demonstrated the importance of diversity to you.
- Choose a topic of your own.
